The Boardman High School Theater Orchestra

The Boardman High School Drama Guild, Chorus and Orchestra will be joining with the rest of B.H.S. to present another Broadway musical to the community. This year we will present "Beauty and the Beast". Theater is one of the most enjoyable groups a musician can participate in. It also requires the greatest concentration of time and effort as well. You must be an **absolute** sharp musician to play in this group.

Students should share the following information with their parents and come to an agreement before committing to such an endeavor. Those that have participated in last year's "Music Man" Pit Orchestra get "first refusal" to this year's play. Other students interested should meet the following criteria.

- 1) Be a serious musician.
- 2) Be available for 95% of all rehearsals, 100% of all performances (except band members traveling to New York).
- 3) Should try to be available for 1st period rehearsals.
- 4) Complete this form and have your parents sign it - turn it in.
- 5) If you have any "regular" conflicts (work, lesson, church groups, etc.) with this schedule, please list them on the back of this form.
- 6) Rhythm section members may have more evening rehearsals with cast, not listed below.

Dear Members:

Welcome to the BHS Theater Orchestra. You will be involved in many traditions that will carry on for years to come. I would like to address a few traditions that should precede all others, namely:

- 1) A tradition of excellent music and musicianship. This can be accomplished by:
 - A) **Practice** in your books at home. With all we ask you to do throughout the day, the only time you can really pay attention to this music is at home.
 - B) Take the books to **lessons** for help with key signatures and rhythms.
 - C) Always **be prepared** in rehearsal - pencil, eraser, penlight (in auditorium).
 - D) Come to as many rehearsals as possible, if you must miss - see Mr. Dispenza.
 - E) All rehearsals are noted on this sheet. Reminders will be posted on the entrance doors to this department. All rehearsals are in the Big Rehearsal room unless otherwise noted.

- 2) A tradition of enjoying music and the company of other musicians. Things you need to consider:
 - A) **THE PIT IS TO BE KEPT CLEAN.** Insects, and other wildlife will sprout up in our home away from home if you don't keep it clean!! **NO MESSSES!!**
 - B) Bring homework and books with you to evening rehearsals, there should be time for study while blocking and dramatic coaching takes place. Headphones are O.K. as long as you're ready when its time to play!
 - C) Rent the movie, or get the CD of this musical so you can try to understand it a bit better. Musicians must get "in character" as well as actors.
 - D) Signs are allowed in the pit. They must be "clean" and should not be visible to the audience.

Just for the record: this musical production is a school-approved function. Even though some of the formalities of school are relaxed, you are still bound to normal school rules and regulations. Our Orchestra Disciplinary Policy will be used if needed.

If you need any sort of copying done, or re-done, please see **Kelly Lake**. She is our Theater Orchestra Librarian. Do not ask another librarian, you will only confuse them. **If you want Kelly to do something for you, please give her a note IN LEGIBLE WRITING ON THE APPROPRIATE FORM.** No other requests will be acknowledged. Kelly is NOT your personal slave, don't treat her like one.

Musical theater is one of the most enjoyable things you will do here at B.H.S. We hope it will help you to enjoy theater more than you have in the past, and help you to become better musicians.

Please **note the upcoming rehearsals** listed on the next page. We depend on you to be there for us! Thanks again one & all, lets "Break-a-Leg":
